

Pray For You

Matthew Parker

When I look in your eyes, they're not the same
Clouded by the wind and rain
We had so much to lose, so much to gain
I can't believe that it went this way

So please pray for me, I'll pray for you
That we'll have the strength to make it through
'Cause when life gets hard and we're torn inside
Hang on 'till the end and please value your life
I'll pray for you, I'll pray for you
I'll pray for you, I'll pray for you

When I see that you're gone, I still feel the pain
The memory of you will never fade away
I don't know where you are, but that's okay
I hope you find yourself someday

So please, pray for me, I'll pray for you
That we'll have the strength to make it through
'Cause when life gets hard and we're torn inside
Hang on 'till the end and please, value your life
I'll pray for you, I'll pray for you
I'll pray for you, I'll pray for you

So please, pray for me

So please, pray for me, I'll pray for you
That we'll have the strength to make it through
'Cause when life gets hard and we're torn inside
Hang on 'till the end and please, value your life
I'll pray for you, I'll pray for you
I'll pray for you, I'll pray for you
