

Snapshot

Matthew Parker

Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight

Ooh, I wonder where the time has gone
I wonder what I'm waiting on
But maybe I've been so, so wrong
'Cause now is the moment
Ooh, we say we miss the good old days
But maybe right now is the good old days
And soon they will be gone gone gone
So now is the moment

I remember when life was harder
I remember when it was darker in my heart
I was wishing on a shooting star
But now I'm up above
And I'm flying higher than the sun
And I'm never coming down
Feel the rhythm and I'm singing loud like

Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight
Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight

Ooh, the world is a time machine
And everybody's just waiting
Waiting for tomorrow's dream
But now is the moment
Ooh, we say we miss the good old days
But maybe right now is the good old days
So hold onto these memories
'Cause now is the moment

I remember when life was harder
I remember when it was darker in my heart
I was wishing on a shooting star
But now I'm up above
And I'm flying higher than the sun
And I'm never coming down
Feel the rhythm and I'm singing loud like

Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight
Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight

Now I'm up above
And the future's brighter than the sun
And I'm never coming down
Feel the rhythm and I'm singing loud like

Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight
Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight

On top, on top of the world
On top, on top of the world
I'm on top of the world tonight
Yeah yeah, I'm on top of the world tonight

Snapshot 'cause I'm feeling this way
Hold tight so the feeling don't fade
Let go cause it's all alright
I'm on top of the world tonight
