The Riddim

Matthew Parker

Low-key
It felt like a movie
When we locked eyes
They were oceans of blue-green
The beat dropped
Like a meteor shower
So dance with me, babe
Come on, make it louder

Glowin' in the dark
I see you in the starlight
Pray for me (Pray for me)
'Cause if I can't have you
I will dream of you
Eternally

So don't stop the rhythm
Lost in a vision with you
I'm dreamin'
Caught up in my feelings
Yeah, you
Got me fallin' deep in love to the music (Music)
Got me callin' you the one
Don't stop

Don't stop
Got me fallin' deep in love to the music
Got me callin' you the one
Don't stop
(Don't stop, don't stop)
D-Don't stop

Flashback
Playback the soundtrack
You're the one, I'm in love
Baby, that's facts
Tell me what you want
I won't be a coward
Dance with me, babe
Come on, make it louder

Glowin' in the dark
I see you in the starlight
Pray for me
'Cause if I can't have you
I will dream of you
Eternally

So don't stop the rhythm
Lost in a vision with you
I'm dreamin'
Caught up in my feelings
Yeah, you (Yeah, you)
Got me fallin' deep in love to the music (Music)
Got me callin' you the one
Don't stop the rhythm
Lost in a vision with you

```
I'm dreamin'
Caught up in my feelings
Yeah, you
Got me fallin' deep in love to the music (Music)
Got me callin' you the one
Don't stop
D-Don't stop
Don't stop

Don't stop the rhythm
Don't stop the rhythm
Don't stop the rhythm
Got me fallin' deep in love to the music
Got me callin' you the one
Don't stop

Got me fallin' deep in love to the music
Got me callin' you the one
Don't stop
```
