

Tidal Wave

Matthew Parker

I feel the tide comin' in all around me
Oh, there's a feelin' in the air and I can't breathe
Now the storm's comin', can they not see?
You are comin' with rage and fury

Like a tidal wave, breakin' down
Nothing in Your way can stand its ground
Oh, King of the world, You're coming one day
With thunder You reign like a tidal wave

Oh, King of the world, You're coming one day
With thunder You reign like a tidal wave

(Like a tidal wave)

I feel the tide comin' in all around me
I feel it in the air, in the dark surrounding
There's a day comin', can they not see?
You are comin' with rage and fury

Like a tidal wave, breaking down
Nothing in Your way can stand its ground
Oh, King of the world, You're coming one day
With thunder You reign like a tidal wave

Oh, King of the world, You're coming one day
With thunder You reign like a tidal wave

(Like a tidal wave)
