Unbreakable

Matthew Parker

We are unbreakable, unshakeable

Yeah, growin' up, we fought over the stupidest stuff
We didn't know a thing about love
Said, "I hate you," but you called my bluff (Called my bluff)
Yeah, we were growin' up, the more that we'd both been through
The more I knew I needed you
Together, we are stronger
There's nothing we couldn't do

We've been through fire, we've been through flames, yeah
And we might bend, but we won't break

After all we've seen together, we can brave any storm
After all the fights, we made up once again
When you're family, you're forever, that's what family is for
When you call my name, I'll be there 'til the end
We are unbreakable, unshakeable
Nothing is stronger than love, we are unbreakable

Call me back when you get the chance
We don't talk enough, but we understand what we have
We both know we'll always be friends (We'll always be friends)
Yeah, I got your back even though we haven't seen eye-to-eye
Hope you know that you changed my life
I wouldn't be the same without you
I wouldn't be the same at all

We've been through fire, we've been through flames, yeah
And we might bend, but we won't break

After all we've seen together, we can brave any storm
After all the fights, we made up once again
When you're family, you're forever, that's what family is for
When you call my name, I'll be there 'til the end
We are unbreakable, unshakeable
Nothing is stronger than love, we are unbreakable

We are unbreakable, unshakeable
Nothing is stronger than love, we are unbreakable

We are unbreakable
