

Weatherboy

Matthew Parker

I'm just a weatherboy

Ride my bike
Through the sunlight to find
The thunder in my head is getting louder
Butterflies flutter by on the breeze
But the weather in my head is quite the downer

Whether I stay
Whether I go
I'm lost in the weather
Wherever it goes

I can't stop the rain so
I'll put on my raincoat
Trying to find the gold
At the end of the rainbow
I can't stop the hurricane
Tearing up my world again
May not see the daisies
Till it's rainy in April

I can't stop the rain
Da da da da da da
I can't stop the rain
Da da da da da da
I'm just a weatherboy

Headphones on, music drowns out the storm
It's shocking that the lightning doesn't scare me
It's rainin', it's pourin'
But I'm feelin' golden
An' I would chase the thunder if you dare me

Whether I stay
Whether I go
I'm lost in the weather
Wherever it goes

I can't stop the rain so
I'll put on my raincoat
Trying to find the gold
At the end of the rainbow
I can't stop the hurricane
Tearing up my world again
May not see the daisies
Till it's rainy in April

I can't stop the rain
Da da da da da da
I can't stop the rain
Da da da da da da
I'm just a weatherboy

I can't stop the rain
Da da da da da da
I can't stop the rain

Da da da da da da
I'm just a weatherboy

Wouldn't you like to know?
