

Canción De La Noche

Matthew Perryman Jones

I've said enough
The writing's on the wall
A broken cup
Missing pieces from the fall
All the cradled desire
Cold, starved roving eyes
As I wander in silent alibis
(Carry on)

Is it your ghost
That keeps hiding under the smoke
It's getting louder
I feel hands around my throat
How do you love someone?
How do you love someone?
How do you love someone
So restless and torn?

You are so beautiful and true
Dark and lovely
You stole my heart
Before I could give it away
I've said enough

Wed the lonely
Set the fires alive
Cut the tethers off my body;
Untie me
They said you love was the water
It's deep in the water
Let it all go
I was alone in the water
Where did you go?

Oh, the light is in disguise
Breaking slowly
Pull me close and I will push you away
I've said enough

I'm pushing away
I keep pushing away, love
I'm pushing away, love
Don't leave me or let me go
I'm begging you to come back
Hold me and I will stay
(Oh, Helah...
You love is leaving shadows)

I was lost inside of you
Dreaming lonely
You stole my heart
Before I could give it away
