

I Can't Go Back Now

Matthew Perryman Jones

Left you
In the morning
Before the sunlight broke across the bed
Left you
Without a warning
Leaving you with a history of broken promises

And I don't know where I'm going
This is not what I had planned

I can't go back now
I'm already off the ground
I can't turn this plane around
No I can't go back
I can't go back now

I know you
You will forget me
I'm sure you'll find a better life ahead
But you know me
What else could I do
When I first saw the wrecking ball
I had to watch my head

And I don't know where I'm going
This is not what I had planned

But I can't go back now
I'm already off the ground
I can't turn this plane around
No I can't go back
I can't go back now

But I won't go back now
I'm already off the ground
No I won't go back now
I'm already off the ground
I can't turn this plane around
No I won't go back
I won't go back now
