

# Make Believe

Matthew Sweet

Everything is perfect in a way  
But not today  
What could tomorrow bring?

Even when I beg you  
Will you please be good to me?  
You're running free  
Just make believe you love me  
And I'll try harder than before  
'Cause it's a real love  
That keeps us coming back for more

(If anything) Anything I question can be used  
Against my will  
And it will be 'til you

Understand the question is  
A cup that cannot be filled  
By what you feel  
I'll make believe I love you  
And I'll try harder than before  
'Cause it's a real love  
That keeps us coming back for more

Just make believe you love me  
And I'll try harder than before  
'Cause it's a real love  
That keeps us coming back for more
