

Off the Farm

Matthew Sweet

Out on the back of forty
Dancing 'fore dawn
Two down in the dark alley
Fresh off the farm, you gotta
Fuck off and roam
Forget what you feel

Off the farm
Did I do something so wrong?
Off, off the farm
Where the hunters will stay calm

Out on the back of forty
Dancing 'fore dawn
Two down in the dark alley
Fresh off the farm, you gotta
Fuck off and roam
Forget what you feel

And we don't have to hide
It's a thing you'll never find
So we don't hide
It's the thing you couldn't find here
Off the farm

Off the farm
Yeah, did I do something so wrong?
I might as well stay calm
Did I do something so wrong?
Oh, oh, oh

Huh, off the farm
And I might as well stay calm
Off, off the farm
Did I do something so wrong?
I might as well stay calm
Did I do something so wrong?
Oh, off the farm
