

## Pretty Please

Matthew Sweet

Stuck up in the air  
Even though it isn't fair  
Everything gets taken away then  
I wake to you today  
And now  
It's useless to resist

Do you need  
Pretty please  
'Cause I need  
Pretty please

So what's lost and found  
I can never lock it down  
Now I'm out here in the middle of nowhere  
And I honestly don't care who  
Is with me or against

Do you need  
Pretty please  
'Cause I need  
Pretty please

It's useless to resist  
Do you need  
Pretty please  
'Cause I need  
Pretty please

Are you with me or against?  
'Cause you I need  
Pretty please  
'Cause I need  
Pretty please
