

# Wait

Matthew Sweet

I don't know  
What I'm gonna do  
I can never see  
Where I wanna go  
Who I wanna be  
I don't know why it seems  
Everything has changed  
And now suddenly  
You don't wanna wait  
To wait for me  
When I'm almost sure  
That it's right to do  
I just wanna know  
What's inside of you

Even if I can't tell  
When we gonna arrive  
I don't really care  
Walking in the light  
I was unaware  
Turning the season means  
Everything had changed  
And now suddenly  
You don't want to wait  
To wait for me  
When I'm almost sure  
That it's right to do  
I just wanna know  
What's inside you when I get in

I don't know  
What I'm gonna to do  
I can never see  
Where I wanna go  
Who I wanna be  
I don't know why it seems  
Everything has changed  
And now suddenly  
You don't want to wait  
To wait for me  
When I'm almost sure  
That it's right to do  
I just wanna know  
What's inside of you  
'Cause I'm still  
Holdin' out on you  
Holdin' out over you  
Holdin' out...
