We're The Same

Matthew Sweet

I don't have to speak and you know what I'm thinking You don't need to hear what I say I don't have to ask and you'll guess what I'm seeking You don't need to hide what you know Baby, we're the same When we fail in each other's eyes Baby, we're the same So you should not be surprised when I swear to you I never told you what to do Maybe it's me Maybe it's you I don't have to act so you'll know what I'm feeling You don't need to see to believe Baby, we're the same When we shine in each other's sky Baby, we're the same Sometimes it's me Sometimes it's you
