

Gobble Gobble

Matthew West

There are so many songs about Christmas
The reindeer, the lights and the gifts
We sing "chestnuts are roasting" and "marshmallows toasting"
And "here comes old jolly Saint Nick"
Now don't get me wrong, I sure love all those songs
But one holiday gets left out
You see, no one remembers a song for November
But that's gonna change starting now

One, two, one, two, three, four

Gobble gobble one, gobble gobble two
Gobble gobble me, gobble gobble you (listen to me now)
Gobble gobble three, gobble gobble four
Gobble gobble please can I have some more
Oh my my, get that turkey in my belly
Oh my my, with the cranberry jelly
Oh my my, come on and sing it with me
Happy Thanksgiving

I stick a straw in the gravy boat
I'ma eat a dozen dinner rolls
Stretchy pants on that's how I roll
No judgment here, no judgment here
Grandpa's passed out passing gas (come on)
But we got pumpkin candles burning just for that (light 'em up)
Someone brought up politics, now everybody's mad (Jesus 2020)
But you can't be mad when when the whole world's singing

Gobble gobble one, gobble gobble two (come on)
Gobble gobble me, gobble gobble you (everybody now)
Gobble gobble three, gobble gobble four
Gobble gobble please can I have some more
Oh my my, get that turkey in my belly
Oh my my, with the cranberry jelly
Oh my my, come on and sing it with me
Happy Thanksgiving

Gobble gobble one, gobble gobble two
Gobble gobble me, gobble gobble you (listen to me now)
Gobble gobble three, gobble gobble four
Gobble gobble please can I have some more

Happy Thanksgiving everybody
