

# Maker

Matthew West

I look around me  
And all I see are giants  
But I look to You  
And the giants fall  
I look around me  
And a storm is raging  
But I look to You  
And the waves are calm

My maker makes a way  
When there's no other way  
I've seen it before  
And I'll see it again  
The word "impossible"  
Is never on Your lips  
I've said it before  
And I'll say it again  
My maker always makes a way

Yeah  
My maker makes a way  
Yeah

When I see a mountain  
You see a mountain moving  
When I see my battle  
You see my victory  
(Yes, You do)

What they say can't be done  
You got a history of doing  
Lord, I know You're gonna do it  
And once again I will see

My maker makes a way  
When there's no other way  
I've seen it before  
And I'll see it again  
The word "impossible"  
Is never on Your lips  
I've said it before  
And I'll say it again  
My maker always makes a way

Yeah

Oh, You are not surprised  
And never caught off guard  
The keeper of Your word  
The keeper of my heart  
God You are before me  
Like You've always been  
The alpha the omega  
The beginning and the end

You make rivers through the desert  
Pathways through the wilderness

For always and forever  
My heart will remember this

My maker makes a way  
When there's no other way  
I've seen it before  
And I'll see it again  
The word "impossible"  
Is never on Your lips  
I've said it before  
And I'll say it again  
My maker always makes a way

Yeah  
My maker makes a way  
Hey  
My maker always makes a way  
My maker makes a way  
Yeah
