

# Never Ever Give Up

Matthew West

If I could I would, I'd put your picture in a dictionary  
And they'd see your face if ever they tried to spell extraordinary  
So incredible, so unforgettable, yeah  
That's what you are

Well, you got a smile that could light up all New York City  
When life comes at you hard you make it look so easy  
No matter what you're facin' you are my inspiration, yeah  
That's what you are

You're the fighter that doesn't know how to back down

You never ever give up  
You hold on no matter what  
You show the world the face of brave  
You never ever give up  
(Never ever give up, never give up)

You've had your share of life ain't fair, but you won't tap out  
My money says you'll still be swinging 'til the last round  
When the odds say you should quit, well, you do the opposite, yeah  
That's what you are

You're the fighter that doesn't know how to back down

You never ever give up  
You hold on no matter what  
You show the world the face of brave  
You never ever give up  
(Never ever give up, never give up)

You're in Chicago, Oklahoma, California  
In West Virginia, Tennessee, and Arizona  
You're every survivor in every town  
You're every fighter that doesn't know how to back down

You never ever give up  
You hold on no matter what  
You show the world the face of brave  
You never ever give up  
You hold on no matter what  
You show the world the face of brave  
You never ever give up  
(Never ever give up, never give up)  
(Never ever give up, never give up)
