

# So Loved

Matthew West

Some say they are just nothing  
but some words upon a page  
in a dusty old bible  
at a back road revival  
or a Sunday school lesson  
from childhood days

yeah and some say  
they're just numbers  
just some numbers on a sign  
3:16, they don't mean a thing  
we see it all the time  
but the world pays no mind

well, all I can tell you  
is what it means to me  
these are the numbers of my hope  
these are the words that set me free  
they tell the story of a Savior  
who gave His life for me  
and with all that is within me  
I believe

For God so loved,  
so loved the world  
He gave His one and only Son  
for God so loved

My daddy was a preacher  
who made who I am  
told me Jesus wants to reach you  
and Jesus did through Billy Graham  
I heard him talking through that TV  
He said come just as I am,  
so I came

Now in my life I've failed and fallen  
I have drifted far and wide  
I have wandered from my calling  
I've believed that devil's lies  
But I never have forgotten the truth  
that pulled me from the Bottom  
from the day I joined that Prodigal Parade

For God so loved,  
so loved the world  
He gave His one and only Son  
for God so loved  
All who believe  
will never die  
but you will have eternal life  
for God so loved

Hallelu,  
Hallelujah  
You sent your one and only Son  
For God so loved

Every Life's defining moment  
is the moment you decide  
what will you do with Jesus?  
will you let Him change your life?

It's an open invitation  
calling out to everyone  
it don't matter where you've been  
it don't matter what you've done  
hear that still small voice calling,  
it's calling you to come  
and if these words wash over you,  
your new life has begun,  
your new life has begun  
your new life..

For God so loved,  
so loved the world  
He gave His one and only Son  
for God so loved  
All who believe  
will never die  
but you will have eternal life  
for God so loved
