

The List

Matthew West

Write 'em down,
one by one
every single mistake
that you've ever made
every single wrong turn
you wish you didn't take

Keeping count,
you can't let go
in for life behind bars,
but you're holding the key
'cause the list tells your heart
that you'll never be free

But love keeps no record
of wrong no, no
love keeps no record
of wrong no, no
love keeps no record
of wrong no, no
listen to me love
keeps no record of wrong, no

So let it go

Love tears the list
in million little pieces
cast your sins as far as
the east is from the west
Say goodbye
to the list

love tells your heart
it's time to start beating
history will not be
repeating anymore
yesterday's a
closing door
love keeps no record
of wrong no, no

Let it wash over you
that it doesn't matter what
you've done or where you've been
you don't have to keep going
back there again
write it down one last time
go on and raise your hands
let the list fall down
you know that you are
a new creation now

Love tears the list
in million little pieces
cast your sins as far as
the east is from the west
Say goodbye

to the list

love tells your heart
it's time to start beating
history will not be
repeating anymore
yesterday's a
closing door
love keeps no record
of wrong no, no
love keeps no record
of wrong, no

come unto me all who
are weary
and i will give you rest
your debt was paid,
your cross was carried
love's hand has wiped
away the list

Let it go
let it go
let it go
let it go

love keeps no record
of wrong, no
