

I'm looking at a masterpiece  
I'm staring at a work of art  
I'm listening to a symphony  
In every beat of your tiny heart  
You used to be a choice to make  
But now I think you've chosen me  
'Cause I see ten fingers, ten toes  
Two eyes and I know this is meant to be

Oh I don't believe in accidents  
Miracles, they don't just happen by chance  
As long as my God holds the world in his hands  
I know that there's no such thing as unplanned

Broken turns to beautiful  
I see you right before my eyes  
And every single breath you breathe  
Is destiny love has brought to life  
I thought it was my story's end  
But now the future's all I see  
Instead of asking who you might've been  
I'm wondering who you're gonna be

'Cause I don't believe in accidents  
Miracles, they don't just happen by chance  
As long as my God holds the world in his hands  
I know that there's no such thing as unplanned

I praise you because I am fearfully and wonderfully made  
My frame was not hidden from you  
When I was made in the secret place,  
When I was woven together in the depths of the earth.  
Your eyes saw my unformed body;  
All the days ordained for me were written in your book  
Before one of them came to be.

Every life deserves a voice  
Every child deserves a chance  
You are more than just a choice  
There's no such thing as unplanned  
Every life deserves a voice  
Every child deserves a chance  
You are more than just a choice  
There's no such thing as unplanned

Every life deserves a voice  
Every child deserves a chance  
You are more than just a choice  
'Cause there's no such thing as unplanned
