

# Fortune Cookie

Matthew Wilder

Like a domino, I fell  
Yes, my life came tumblin' down  
It was such an evil-minded spell  
If I'd only seen the signs  
Had I read between the lines  
I was weak and blind and mad about you, baby

Hey, yeah, fortune cookie  
The devil's little girl with blue eyes  
Fortune cookie  
You really cut me down to size

Got your voodoo in my blood  
Your voice inside my head  
Tried to leave you  
But it's no good, no  
Fortune cookie say  
"No one breaks away  
Confidence the key but fear's the chain that binds you"

Hey, hey, fortune cookie (Hey, hey, hey, hey)  
The devil's little girl with blue eyes (Oh, oh, oh, oh)  
Fortune cookie  
You really cut me down to size  
Hey, hey, hey, hey, ow

Hey, yeah, yeah, fortune cookie (Hey, hey, hey, hey)  
The devil's little girl with blue eyes  
Fortune cookie (Hey, hey, hey, hey)  
You really cut me down to size  
Hey, hey, hey, hey, ow  
Fortune cookie
