

Mad For You

Matthew Wilder

Give me nothing more
Nothing more than what I ask for
Give me nothing less
Nothing less than love
Careful with my heart
Careful what you say around me
I'm so mad for you

Careful what you say
Unless you really mean it
'Cause I'm mad for you, uh
And if you want to play
You better really want it
'Cause I'm mad for you

Love is on the loose
On the loose and gonna get you
You can run away
Run away and hide
Face the naked truth
Naked truth of how I want you
I'm so mad for you

Careful what you say
Unless you really mean it
'Cause I'm mad for you, ow
And if you want to play
You better really want it
'Cause I'm mad for you, oh

Careful what you say
Unless you really mean it
'Cause I'm mad, oh
And if you want to play
You better really want it
'Cause I'm mad for you

When I call on the phone and I know you're home
I know you're too afraid to answer
You say it makes no sense 'cause I'm too intense
Besides, I'm not the only dancer
So I'll take my time spending dime after dime
'Cause I sure don't wanna scare you
All I wanna do with a girl like you
Is totally prepare you

Oh, careful what you say
Unless you really mean it
'Cause I'm mad for you, oh
And if you want to play
You better really want it
'Cause I'm mad, I'm mad, I'm mad

Careful what you say
Unless you really mean it
'Cause I'm mad for you, yeah
And if you want to play

You better really want it
'Cause I'm mad for you, ow

Careful what you say
Unless you really mean it
'Cause I'm mad for you
