

Bye Bye

Mattiel

I went down to office all dressed in leather, oh
I had ran on the way and got toasted by the weather, whoa
Well he's sayin' it's do or die, enough pressure to make me cry
Gonna say bye bye, ooh-whoa-oh, gonna say bye bye

I know that I don't belong
'Cause you're sayin' that I'm in the wrong
But I'm not, no I'm not, no I'm not

Well bring me the papers and I'll sign 'em off like that
So happy to leave at the drop of a hat
Well I'm walkin' on out your door, I don't wanna see you anymor
e
Gonna say bye bye, ooh-whoa-oh, gonna say bye bye

I know that I don't belong
'Cause you're sayin' that I'm in the wrong
But I'm not, no I'm not, no I'm not

Went down to office all dressed in leather, oh, whoa-oh-oh
I had ran on the way and got toasted by the weather, whoa
Well he's sayin' it's do or die, oh, enough pressure to make me
cry
Gonna say bye bye, ooh-whoa-oh, gonna say bye bye

I know that I don't belong
'Cause you're sayin' that I'm in the wrong
But I'm not, no I'm not, no I'm not
I know that I don't belong
'Cause you're sayin' that I'm in the wrong
But I'm not, no I'm not, no I'm not
