

Heck Fire

Mattiel

Stop everything, don't roll your eyes
7-Eleven, pick up some ice
Oh-oh, what did I say? Heck fire
Give me a break, do it yourself
All by yourself, don't need no help
Oh-oh, what did I say? Heck fire

Oh, didn't I tell you, now? Oh, didn't I tell you, now?
Oh, didn't I tell you, now? Oh, didn't I tell you, now?
Oh, didn't I? Oh, didn't I? Oh, didn't I tell you now?

Go have some fun, buy somethin' nice
Clean out the place, sugar and spice
Oh-oh, what did I say? Heck fire
Come back inside, sleep standin' up
No, never lose, and don't act so tough
Oh-oh, what did I say? Heck fire

Oh, didn't I tell you, now? Oh, didn't I tell you, now?
Oh, didn't I tell you, now? Oh, didn't I tell you, now?
Oh, didn't I? Oh, didn't I? Oh, didn't I tell you now?
Oh, didn't I tell you now? Oh, didn't I tell you now?
Oh, didn't I? Oh, didn't I? Oh, didn't I tell you now?
Oh, didn't I tell you now? Oh, didn't I tell you now?
Oh, didn't I tell you now? Oh, didn't I tell you now?
Oh, heck fire
