Not much pain that I care to resurrect

Just tell me to sit down 'til your face turns blue

Well, too bad I ain't here to argue, and I ain't here to rescue
you

Yeah, you got a thing for people who like to feel guilty
But don't you forget, it wasn't God who built me

Need more of my materials misconstrued

Too bad I ain't here to argue, and I ain't here to rescue you

k

Oh, I'm just here for the action, not the aftershock
I know it by now, you're only lookin' for an interview
Just tell me to sit down 'til your face turns blue

Oh, I ain't here to argue, and I ain't here to rescue you

Yeah, ahh, no

Woah, ahh

No, I ain't here to argue, and I ain't here to rescue you
Woo!
