

# Brand New Fire

Matty Mullins

It seemed like the sky was falling  
And I never thought that I'd feel safe  
Afraid of my own thoughts and  
Just looking for a place to run away

I was stained and ashamed of who I'd been  
But then You wrapped Your arms around me

I am, I am changed  
I am, I am changed  
And I feel different now  
I feel a brand new fire, burning inside me  
I am, I am changed  
I have been set free  
Yeah, I've been saved somehow  
There's a brand new fire, burning inside of me

I felt my walls crash down and  
I never knew that I had been redeemed  
All that was dead inside me  
Was gone and I became who I was meant to be

I heard Your voice calling my name  
You were saying  
"Follow me and your soul will never thirst again"

I will never be worthy of what you did  
But I will tell everyone around me

I am, I am changed  
I am, I am changed  
And I feel different now  
I feel a brand new fire, burning inside me  
I am, I am changed  
I have been set free  
Yeah, I've been saved somehow  
There's a brand new fire, burning inside of me

You are the way  
You are the truth and the light  
You're the only reason I'm alive  
So now I'm telling everyone

I was stained and ashamed of who I'd been  
But then You wrapped Your arms around me

I am, I am changed  
I am, I am changed  
And I feel different now  
I feel a brand new fire, burning inside me  
I am, I am changed  
I have been set free  
Yeah, I've been saved somehow  
There's a brand new fire, burning inside of me

There's a brand new fire  
There's a brand new fire

Oh-oh-oh  
Oh-oh-oh
