

Christ Be Magnified

Matty Mullins

There is one King
Who rules with grace
And reigns with love
And we believe
In his son
Jesus Christ the risen one
He set us free

Be magnified
Christ, be lifted high
The heart beat of our praise
Is to glorify your name
Christ be magnified
Christ be magnified

The heavens reign
Declaring all the fathers majesty
And we believe
In his son
Jesus Christ the risen one
He set us free

Be magnified
Christ, be lifted high
The heart beat of our praise
Is to glorify your name
Christ be magnified
Christ be magnified

Every knee will bow
Every tongue confess
He is Lord
He is Lord
Every knee will bow
Every tongue confess
He is Lord
He is Lord

Be magnified
Christ, be lifted high
The heart beat of our praise
Is to glorify your name
Be magnified
Christ, be lifted high
The heart beat of our praise
Is to glorify your name
Christ be magnified
Christ be magnified

Christ be magnified
Christ be magnified
Christ be magnified
Christ be magnified
Christ be magnified
Christ be magnified
