

Diggin Da Blunt

Maty Noyes

Only twenty-two
You know what I'm talkin' about
You see these dudes I do
I sleep on top of a cloud, yeah
Hit me with it, put me on the right path
Independent, it ain't even like that
Think we ain't into the same shit and I like that
Uh, uh, uh

Singin' I'm sprung, I'm sprung
He only wake me up for the diggin' da blunt
In love, in love
Really need a break, but he just won't stop
Ask him if he'd ever die for me, yeah
He say why we gotta die, we fight instead
Tell him I won, I won
'Cause he only wake me up for the diggin' da blunt

Yeah, for the diggin' da blunt
Only wake me up for the diggin' da blunt
Yeah, yeah, for the diggin' da blunt
Only wake me up for the diggin' da blunt (Diggin' da)

My mood ring blue
But it's red when you're around
Your mood swing moves
I see you tryna lock it down
Ooh, I did my makeup in the dark
Ooh, I came out lookin' like a star
If it isn't broken, I'll break it for sure
Uh, uh, uh (Yeah)

Singin' I'm sprung, I'm sprung (Yeah, yeah)
He only wake me up for the diggin' da blunt (The diggin' da blunt)
In love, in love (In love)
Really need a break, but he just won't stop
Ask him if he'd ever die for me, yeah (Die for me, yeah)
He say why we gotta die, we fight instead
Tell him I won, I won
'Cause he only wake me up for the diggin' da blunt (For the diggin' da)

Yeah, for the diggin' da blunt
Only wake me up for the diggin' da blunt
Yeah, yeah, for the diggin' da blunt
Only wake me up for the diggin' da blunt (Diggin' da)

If I don't see him, I won't fall
If I don't need him, we won't talk at all
I don't ever wanna see us getting old
Don't be cold to me like you are to everybody else
Ooh
The diggin', the diggin' da blunt, yeah
Ayy, yeah, yeah

Singin' I'm sprung, I'm sprung
He only wake me up for the diggin' da blunt
In love, in love

Really need a break, but he just won't stop
Ask him if he'd ever die for me, yeah
He say why we gotta die, we fight instead
Tell him I won, I won
'Cause he only wake me up for the diggin' da blunt

Yeah, for the diggin' da blunt
Only wake me up for the diggin' da blunt
Yeah, yeah, for the diggin' da blunt
Only wake me up for the diggin' da blunt (Diggin' da)
