

I'm in love with the things that I said  
When I'm drunk in my mind all alone on the steps  
And I wish that I meant it, I wish I was different  
Like someone else, 'cause I hate this hell

Get me out of the wet clothes  
Got a power that I can't control yet  
Ooh, ooh  
Love me all through the night  
It's not meant for the weak souls  
And you know that I can't be told shit  
Ooh, ooh  
There's only one way to go, yeah

"Don't you know what's better than me?"  
Said my body drip is cleaner than hygiene  
Put the record on and nothing's exciting  
Everyone's tryna be me, tryna believe, yeah, yeah  
Don't you know you gotta be free?  
It comes over me and I can't describe it  
I'm just open and they use me like lightning  
Hidden in violent scenes, I'm not even tryna be me, yeah

I don't know who you are by yourself  
When you're off on your own, are you somebody else?  
And I laugh that I care 'cause I think it's unfair  
To waste time complaining, I'm just the same, and

Hold me down till it gets old  
Flip a coin, tell me where we're going  
Ooh, ooh  
Baby, it's all the same  
I don't like when it gets cold  
Run away, let the sun enjoy me  
Ooh, ooh  
There's only one way to go, yeah

"Don't you know what's better than me?"  
Said my body drip is cleaner than hygiene  
Put the record on and nothing's exciting  
Everyone's tryna be me, tryna believe, yeah, yeah  
Don't you know you gotta be free?  
It comes over me and I can't describe it  
I'm just open and they use me like lightning  
Hidden in violent scenes, I'm not even tryna be me, yeah

Stay already, go on, steady  
Stay already, go on, steady
