

# lowkey

**Maty Noyes**

I've been on the same wave  
Ever since I been a kid  
Got the weight up on my shoulders  
Just like me up inside the gym

I said I, ooh, I, ooh, I-i-i-i

I'm staying lowkey, lowkey, lowkey  
Never changing for one night  
Never searching for the high  
I'm staying lowkey, lowkey, lowkey  
Never changing for one night  
Never searching for the high  
(Lowkey, lowkey)

So sit back, relax  
Don't need back too much  
Pulling me out to the waves  
Give me the love that you crave  
Sit back, relax, I'm gonna relax  
You know that it won't fade  
You're gonna wash me away

Yeah, I don't have time for this  
Give and taking is so plot twist  
Keep me up to just to make me sane  
Keep me up just to say we're great  
Honestly don't have time for this  
You can tick me off the list  
Keep me up just to use my name  
Hold me close to feel insane

I-i-i-i-i-i-i  
I don't wanna try no more  
I-i-i-i-i-i-i  
I don't wanna try, ooh yeah

I'm staying lowkey, lowkey, lowkey  
Never changing for one night  
Never searching for the high  
I'm staying lowkey, lowkey, lowkey  
Never changing for one night  
Never searching for the high  
(Lowkey, lowkey, lowkey)

I've been on the same wave  
Ever since I been a kid  
Got the weight up on my shoulders  
Just like me up inside the gym  
I said I, ooh, I, ooh, I-i-i-i
