

## Perspective

Maty Noyes

I had a chance to calm down, I promise I'm not angry now  
I think I finally worked it out, yeah, I really worked you out  
I don't wanna change you, I only wanna change the mood  
I don't know what the fuck you're trying to prove  
So go ahead and do what you do

Like you say, there's two sides  
Yeah, there's yours and there's mine  
It's all about perspective

I see where you're coming from  
Took consideration from what you said  
And I still think you're a dick  
And that's my perspective  
You say I took it the wrong way  
You never meant to hurt me  
But I still hate you all the same  
Cause either way you're still a dick  
And that's my perspective

Don't know where to go, we can talk it out  
All of those times you asked and you turned around  
And then you shot me down and I shut you out  
And now we're right back where we started out  
And twisted feelings, meaning something different than I mean  
Oh my god, we said enough, go ahead and do what you do

Like you say, there's two sides  
Yeah, there's yours and there's mine  
It's all about perspective

I see where you're coming from  
Took consideration from what you said  
And I still think you're a dick  
And that's my perspective  
You say I took it the wrong way  
You never meant to hurt me  
But I still hate you all the same  
Cause either way you're still a dick  
And that's my perspective

It's just my point of view, maybe it's not true  
It's how I think of you, I do, I do

I see where you're coming from  
Took consideration from what you said  
And I still think you're a dick  
And that's my perspective  
You say I took it the wrong way  
You never meant to hurt me  
But I still hate you all the same  
Cause either way you're still a dick  
And that's my perspective
