

Say

Maty Noyes

Heard you really want a nice bitch
Heard you really want some nice shit
Fucking with my mood, why you gotta be rude?
Everybody on some play shit
Trying to love me for a day shit
I don't know about you, I still [?]

Say how you feel 'cause you know how I'm feeling for you
If I don't hear from you by the end of the day we're through
Gotta take my time with it, if I'm gonna die with it
Baby, what the hell you trying to do?
Say what you feel 'cause you know how I'm feeling for you

You ain't no real man, you can never understand
What it's like to love a girl, love a girl like me

I know that you've fallen for me
I wanna feel it out with you, see what I do
See what I do with a moment with you
You're gonna know that it's true

Say how you feel 'cause you know how I'm feeling for you
If I don't hear from you by the end of the day we're through
Gotta take my time with it, if I'm gonna die with it
Baby, what the hell you trying to do?
Say what you feel 'cause you know how I'm feeling for you

Say it's real, say it's good
Say that I don't like love but I could
Say it's real, say it's good
Say I don't know shit like I should
Say it's real, say it's good
Say that I don't like love but I could
Say it's real, say it's good
Say I don't know shit like I should
