

# Wrong

Maty Noyes

I know that I'm on a roll now  
Yeah I did the work  
Committed to my best self  
I'm not a player, player  
I can't be the one to save ya, save ya

And that's just how I feel  
That's how I feel  
Gotta keep it real, keep it real  
It's not what you wanna hear  
You wanna hear  
But I need to heal  
Yeah

There's nothing really wrong with us  
Promise I don't love you less than I did  
Nothing I would change in us  
It just is what it is

There's nothing really wrong with you, wrong with me  
We just need to take some time to find out and see  
If there's something wrong with us  
I need to know

We owe  
Owe it to ourselves  
To do what most people ignore  
Push it down for years until they hate each other, each other  
And move on to another lover

But it's all a lesson to be learned  
Everytime you love it's gonna hurt  
Maybe we could be better than before  
But I need to be sure

There's nothing really wrong with us  
Promise I don't love you less than I did  
Nothing I would change in us  
It just is what it is

There's nothing really wrong with you, wrong with me  
We just need to take some time to find out and see  
If there's something wrong with us  
I need to know (I need to know)

Promise I had feelings but I lost em  
Baby I can't lie no I still got some  
Like yea (yea) yea (yea) yea (yea) yea (yea) yea (yea) yea (yea)

First I starting feeling like I lost him  
But now I know that I'm about to blossom  
Like yea (yea) yea (yea) yea (yea) yea (yea) yea (yea) yea (yea)

There's nothing really wrong with us  
Promise I don't love you less than I did  
Nothing I would change in us  
It just is what it is

There's nothing really wrong with you, wrong with me  
We just need to take some time to find out and see  
If there's something wrong with us  
I need to know (I need to know)

Promise I had feelings but I lost em  
Baby I can't lie no I still got some  
Like yea (yea) yea (yea) yea (yea) yea (yea) yea (yea) yea (yea) yea (yea)
