

I'm at the edge of the world that I knew
Is this the end?
Am I just passing through?
Baby, put your sneakers on
I wanna run
Baby, fuck your friends
I just wanna have fun

And I wanna get high
Higher than the sun, 001
Put the anchor down
I can show you how it's done (And I wanna get high)
Higher than the sun, 001
Can you feel the-

I like to shine bright like a fucking star
I like to feel amazing
And I like to feel no pain
And I like to go hard
I like to shine bright like a fucking star
I like to feel amazing
And I like to feel no pain
And I like to go hard

Okay, girl you can roll with us (You can trust me)
I got nothin' in my heart if I do not trust (You can trust me)
All that matters is you're having fun (You can trust me)
Are you havin' fun?
'Cause I'm havin' fun (Can I trust you?)

And I wanna get high
Higher than the sun, 001
Put the anchor down
I can show you how it's done (And I wanna get high)
Higher than the sun, 001
Can you feel the-

I like to shine bright like a fucking star
I like to feel amazing
And I like to feel no pain
And I like to go hard
I like to shine bright like a fucking star
I like to feel amazing
And I like to feel no pain
And I like to go hard

Baby, let's run
001
Baby, let's run
