

You are a world  
You are a pathway  
You are a gem  
You are a scripture  
You are a flower  
You are a party  
You are a wave  
You are a surfboard  
You are a rave  
You are a magical skateboard rider  
You are a perfect hill and a bike  
You are the rain  
You are a painting  
You are the fame

You are so lovely, so lovely, so lovely  
So lovely, so lovely, so lovely, so lovely  
If I could be anywhere, I'd still pick your room  
It is a portal to the ocean of blue  
I like your teeth and the mark on your face  
I watch you run that 10k, watch you finish that race  
And in evenin' there is yellow light  
We are so different and sometimes we fight  
I don't know much about loving forever  
But I am fascinated by it entirely  
You are so lovely, so lovely, so lovely  
So lovely, so lovely, so lovely, so lovely (You are)

You are a party (So lovely)  
You are a wave (So lovely)  
You are a surfboard (So lovely)  
You are a rave (So lovely)  
You are a lighthouse searching in the fog (So lovely, so lovely  
)  
You are my last dance (So lovely)  
And baby, you're god (So lovely)  
Baby, you're dying (So lovely)  
Baby, you're dead (So lovely)  
Baby, you're lightning and that's why I said (So lovely, so lov  
ely)  
You are (So lovely)  
And you always will be (So lovely)  
(So lovely)  
So we bloom
