

If You Love Me

Maura O'Connell

If the sun should tumble from the sky
If the sea should suddenly run dry
If you love me, truly love me
Then whatever happens, I won't care
If it seems that everything is lost
I shall smile & never count the cost
If you love me, truly love me
Then whatever happens, I won't care
Shall I catch a falling star
Will I bring it where you are
If you want me to, I will
And I'll do anything you ask, (alternatively... you can set me
any task)

And I'll fulfill any task
If you'll only love me still
When at last our life on earth is through
I shall share eternity with you
If you love me, truly love me
Make it happen, I won't care
(instrumental)
Will I catch a falling star ? etc
When at last our life on earth is through.....
