

# Shotgun Down The Avalanche

Maura O'Connell

Im riding shotgun down the avalanche  
Tumbling and falling down the avalanche

So be quiet tonight the stars  
Shine bright  
On this mountain of new fallen snow  
But I will raise up my voice into  
The void  
You have left me nowhere to go

I love you so much and its so bizarre  
A mystery that goes on and on and on  
This is the best thing and the very  
Most hard  
And we dont get along

After countless appeals we keep  
Spinning our wheels  
On this mountain of new fallen snow  
So I let go the catch and we are  
Over the edge  
You have left me nowhere to go

Im riding shotgun down the avalanche

Sometimes you make me lose my will  
To live  
And just become a beacon for your soul  
But the past is stronger than my will  
To forgive  
Forgive you or myself, I dont know

Im riding shotgun down the avalanche  
Tumbling and falling down the avalanche

So be quiet tonight be sure to  
Step lightly  
On this mountain of new fallen snow  
But I will raise up my voice into  
The void  
You have left me nowhere to go

Im riding shotgun down the avalanche
