

Breaking Of Day

Maurette Brown Clark

I can feel the breaking of day,
I won't look back, I'll just keep pressing my way.
Oh, I can feel the breaking of day,
my blessing's got to be on the way
Oh I may not be able to see it,
but in my heart I do believe
that Jesus, He knows all my struggles
and soon He's coming to see about me

I can feel it way down in my soul
ever since I let God take control, I don't worry
for I know it's...

On the way,
on the way,
on the way,
I can feel it

On the way,
on the way,
on the way,
I believe it.

I can feel it,
I can feel it,
I can feel it,
I can feel it.

I believe it,
I believe it,
I believe it,
I believe it.
