

I Want God

Maurette Brown Clark

I don't want a form of godliness
I want God, all I ever wanted was God
And I don't wanna give 'em second best
I want God, all I ever wanted was God

I don't want a form of godliness
I want God, all I ever wanted was God
And I don't wanna give 'em second best
I want God, all I ever wanted was God

See I wanna live like Him
Treat everybody right
And I wanna look like Him
Precious in His sight
Help me to love, and forgive
Forgive my enemies
And be what you call me to be

I don't want a form of godliness
I want God, all I ever wanted was God
And I don't wanna give 'em second best
I want God, it's all I ever wanted was God

See I wanna live like Him
Treat everybody right
And I wanna look like Him
Precious in His sight
Help me to love, and forgive
Forgive my enemies
And be what you call me to be

Live like Him
Treat everybody right
Look like Him
(Let me see You Jesus)
Precious in His sight
Live like You
Forgive my enemies
Be what You call me to be

I don't want a form of godliness
I want God, all I ever wanted was God
And I don't wanna give 'em second best
I want God, all I ever wanted was God

I want God
I want God
I want God
Yes, just God

I want God
I want His Spirit
I want His presence
Please don't take Your presence from me
Please don't take Your Spirit from me
Please don't move Your hand from me Jesus
'Cause You're all I want

You're all I ever need

Even as a little girl

I knew Your hand was on me

And now that I may be a little older

I can still feel You pushing and pulling on me

Jesus, every day of my life, get the glory

Every minute of my life, get the glory

'Cause I want You, I need you, yes I do

All I ever wanted

You are

All I ever needed

You are

My soul

My Spirit

Yes, I want You Jesus

Yes I do

Yeah yeah yeah yeah yeah yes

I want God

I want God

I want God
