

## Komodo

Mauro Picotto

Save our soul, save it now for a better life  
Time to break because time is flying on and on  
But if you want to believe in a better life  
Find a way, try now, come together with a smile

Time to break because time is flying on and on  
But if you want to believe in a better life  
Find a way, try now, come together with a smile
