Back in penitentiary  
Long gone misery  
Left me alone, I grew up  
Amongst the mad breed  
So my mind  
Couldn't find a place to rest  
With me got this thug plaque  
Tattoo on my chest  
Nigga never sleep  
When am living in da past  
Stare in the lights  
Mi pop off and first to blast  
He knew my father  
He was a gangsta in the streets  
But now hes gone  
Mi deh ya so still a plead  
Till him rest in peace  
Now am heading for the treach  
I remember me  
So many homies in the cemetery  
Seem as if I am a missionary  
But when am gone  
Know my momma  
Gonna cry for me

Take me away  
From all the pressure  
And all the pain,  
Show me some happiness again  
I'm going blind  
I spend my time down stairs

I live in bed  
You know my destiny is hell  
But till I fear  
My mind is so misleading  
I couldn't see  
I gotta brain full of demons  
Tryin' to break free  
I know one day  
When, (Ay)  
But when I die  
I be steppin' with my father  
And the most high w
