

# Beloved

Maverick Sabre

I know you're weary  
Still in my heart for a reason  
Tell me I'm wide-awake  
As I hold you in deep  
When your arms can't seem to try anymore  
You're the only one that keeps me afloat  
Oh, I've been holding my hands up to heaven

So why don't you come back to me?  
Come back to me my beloved  
Oh I just want you to know I love

So why don't you come back to me?  
Come back to me my beloved  
Oh I just want you to know I love  
So why don't you come back to me?  
Come back to me my beloved  
Oh I just want you to know I love

I'm not sure you're here anymore  
Your touch is just not what it was  
Am I conceding watching this burn away?

Maybe I'm lying again  
Setting myself up to break  
Taking this hurt leaves me in uncertain ways

Still I want you to  
Come back to me  
Come back to me my beloved  
Oh I just want you to know I love

So why don't you come back to me?  
Come back to me my beloved  
Oh I just want you to know I love

So why don't you come back to me?  
Come back to me my beloved  
Oh I just want you to know I love

So why don't you come back to me?
