

# Falling

**Maverick Sabre**

Oh  
Oh-oh-oh

Baby, you're sweet  
But you're dangerous in love  
How did I end up with  
Your taste again?  
Now when we speak  
Something always follows  
In your bed tomorrow

Said, and ooh  
There's nothing much, but there's me and you  
Hope gravity waits 'cause I'm falling

I'm falling, too  
I'm falling  
I'm falling  
And I don't know how to stop myself from  
I'm falling  
I'm falling, too  
I'm falling  
And I don't know how to stop myself from

You're still a mystery  
Maybe that's why  
I'm back in your Heaven  
I think we can do better  
Don't you pick up the phone  
Unless it's for real  
Darling, say what you mean  
'Cause I think that you fear it

Ooh  
There's nothing much, but there's me and you  
Hope gravity waits 'cause I'm falling

I'm falling  
I'm falling, too  
I'm falling  
And don't know how to stop myself from  
I'm falling  
I'm falling, too  
I'm falling  
And I don't know how to stop myself from

When it don't make sense  
Why does it make me want to  
Give you one more chance?  
Like I need another round trip

Ooh  
It's always predictable  
And I just keep on falling

I'm falling  
I'm falling, too

I'm falling  
And I don't know how to stop myself from  
I'm falling  
I'm falling, too  
I'm falling  
And I don't know how to stop myself from

Don't know how to stop myself from falling  
Down and down  
Don't know how to stop myself from falling  
Down and down  
Don't know how to stop myself from falling  
Down and down  
Don't know how to stop myself from falling  
Down and down
