

## Slow Down

Maverick Sabre

Had a feeling that you'd call me to say you're sorry  
Instead you just said it's my mistake  
Are you raging up a war for the sake of something to say  
When am I not to blame?

And what you got to say about me?  
I don't know you very well if you're acting like someone else  
And what you got to say about us?  
Don't you see this all leads to games?  
You should start trusting me

Slow down, won't you come around?  
Slow down, won't you come around to my ways?  
Slow down, won't you come around?  
Slow down, won't you come around to my place?

Well I wish I could say sorry but I don't have much to say  
You won't believe me anyway  
I got a thing for causing arguments  
But in my defence I'm scared to walk away

What I'm trying to say about me?  
I don't know me very well if I'm acting like someone else  
And what you got to say about us?  
Don't you see that I'm here to say?  
You should start trusting me

Slow down, won't you come around?  
Slow down, won't you come around to my ways?  
(I've been trying not to you let you go)  
Slow down, won't you come around?  
(I've been trying not to you let you go)  
Slow down, won't you come around to my place?  
(I've been trying not to you let you go)

(Slow down, won't you come around)  
(Slow down, won't you come around to my ways)

You don't know me  
Like I wish you would  
You don't know me  
Like I know you could  
I don't want to be misunderstood  
Cause I don't think you know

Slow down, won't you come around?  
(I've been trying not to you let you go)  
Slow down, won't you come around to my ways?  
(I've been trying not to you let you go)  
Slow down, won't you come around?  
(I've been trying not to you let you go)  
Slow down, won't you come around to my place?  
(I've been trying not to you let you go)

Slow down, won't you come around?  
Slow down, won't you come around to my ways?  
(I've been trying not to you let you go)

Slow down, won't you come around?  
Slow down, won't you come around to my place?  
(I've been trying not to let you go)
