

Ay, ay  
Look, spare me all them scary rounds  
Barely poppin' like cherry wine  
Mary Poppin's merits is better than nearly everybody  
Swag is immaculate tactics are hot a rapper hittin' in the appl  
e's Adam that Eve had to have been the baddest bitch, yeah  
Let's add this doctrine to your doctor's note  
Prescriptions hittin' harder than all of your gargled bars'll g  
o  
I'm partially impoverished, so no don't ask for dollars  
With this vomit I'm a prophet it shows you just knowledge and i  
t  
Was never nothing for me to end your career  
I'll make you disappear, right then and there, and [?] grins an  
d sneers  
Kicks and snares get bit like pitbulls near  
In the mix like a sick bitch and misfit sharin'  
For a quick fix my pen dips in this bitch [?]  
Then I dip quick, hit six shifts in this McLaren  
That's my imagination  
It's fascinatin' how they rapped around this cadence, let me ex  
pound  
I'm jaded, paid, and impatient got [?] for some basics  
Who crave a payday and playas, I pace it, no relationships  
Crazy shit gettin' paid to spit, be filthy rich, and flow two c  
ents  
I'm fluorescent, I'm glowin', I'm spitting out of glaucoma, Mon  
ochrome shit, low expense, boat's slick, flow's quick, don't fl  
ip Slut, ho, bitch, no cold switch  
Been on my grind, I've been leading the blind  
'Cause I'm the beacon we designed to survive, muh fucka
