

# Having My Way

MAVI

Yeah

Yeah

Ayy

Having my way, having my way with this shit  
Know what they say and you still wait for me  
You can't change my fate and yet you pray for me  
I don't know my date, but I know my way just ain't getting killed  
Pops snatched my chain, 'nother broken link replaced it  
With steel, you can debate, God gon' have his way with me  
Still, I'm on my way, ayy  
I'm on my way (See what I'm sayin'?)

Ayy, I'm on my way, I was on my last, you ain't have no patience  
I willed it and painted, exchanged it for pape'  
I was feeling a complicated way and now you crave me  
I'm chilling, can be anybody in your story, mine don't got a villain  
Antihero, antifreeze in my veins  
Couldn't believe who had me leaking, I was feeding my plate  
Felt the bleeding too late  
Just pray the nigga that's keeping the gate  
With all my people just let me in the same  
Only me is my ace  
Moral compass like casino roulette  
I bet my life and ain't even seen all the cake

It's all from me needing my way  
Having my way  
It's all from me needing my way  
Having my way  
It's all from me having my way  
Having my way with this shit  
Having my way  
Having my way with this shit, yeah
