MAVI

Yeah, uh  
Man, it's a honor, it's a weapon  
It's a honor, it's a privilege  
Yeah, uh

Fucked up as a child, I took my daddy hydros  
Ain't look in granny Bible, but I got high  
And tried to write it with my eyes closed, overdosed tryna micro  
Juugin' off the clock and off the books and off the tight rope  
Delicate balance, family wincin', not convinced  
It's the best I can manage, I submit that there's no vet  
The said steps that I'm dancin', I'ma settle but chance it  
I think death was my last kiss, I'm a helpless romantic  
But I got wishes, wish my granddad was here, I'd tell him that I did  
it  
Wish that things were easier for me and my sister  
Wish that things were simpler 'tween me and my brothers  
I wish for peaceful sleep in the dreams of my mother  
I wish the threat of loss ain't come with all my lusting  
And with my final wish, I'm wishing for another  
Or-, or like three more  
Until I slumber with my brothers on the sea floor, I'm a living dream

Yeah, why it sound like I'm complaining saying it ain't what it seem?  
Yeah, like yeah, I prayed for all this paper, wasn't thinking what it  
'd mean  
Yeah, through all my days, I just be grateful I don't look like what  
I seen  
Until I slumber with my brothers on the sea floor, I'm a living dream  
Yeah, like why it sound like I'm complaining saying it ain't what it  
seem?  
Yeah, like yeah, I prayed for all this paper, wasn't thinking what it  
'd mean  
Yeah, through all my days, I just be thankful I don't look like what  
I seen  
Uh, uh, I'm the plan for all my family, where I'm living they achieve  
d

I swear to God, like  
Just to be able to be here from working  
Travel and see the world and  
Experience the love of so much people  
And contribute something to the world  
That's all my family every wanted for me  
And all anybody who's ever loved me ever wanted for me  
And they wanted it for they self too, but  
Sometimes like, you know what I'm saying  
Life is shorter than the imagination  
And I'm just glad I get to walk in all their paces  
It's a blessing  
It's a blessing, it's a blessing, it's a blessing
