Interesting...  
U checkin' everybody out, I knew U'd get 2 me soon  
(Sooner or later)

Your cologne smelled like a garden in the middle of Rome... ouch!  
Interesting...  
U offered me your body if I'd take U home  
(Home, take me home)

The way U walk, the way U talk and think and feel  
Intrigues me like a thief 2 money, money  
If I'm not dreaming, this is interesting

And when we first kissed  
(Cool blue flashes)  
And honey, your hands, they're like a feather whip  
(Please! 4 more lashes)

The way U walk, the way U talk and think and feel  
Intrigues me like a thief 2 money, money  
If I'm not dreaming, this is interesting

4 curiosity's sake I asked U 2 dance  
Your body moved like the sound of a bass  
Interesting...

Acoustically electric, your biceps symmetric  
Yeah babe, I like your lines ... ouch!
