Mavis Staples

Everybody's gonna have to give sometime
Gonna have to give sometime
Got to give sometime
Everybody's got to give sometime
You got to give sometime
Give sometime

Everybody's gotta change sometime
We got to change sometime
Change sometime
Everybody's gotta change sometime
We got to change sometime
Change sometime

Everybody's gonna need sometime
You gonna need sometime
Need sometime
Everybody's gonna have to need sometime
Need sometime
Need sometime

Everybody's got to cry sometime
Gotta cry sometime
Got to cry sometime
Everybody's gonna have to cry sometime
We got to cry sometime
Cry sometime

Everybody's got to pray sometime
We need to pray sometime
Pray sometime
You know everybody gotta pray sometime
We got to pray sometime
Pray sometime
Pray sometimes
