

## Sweet Things You Do

Mavis Staples

Baby you already know I've found the right boy  
(Yes I do now Yes I do now)  
Let me tell you about yourself  
Every word I'm gonna say is true  
(Yes it is now Yes it is now)  
You got me so upset  
Cos of the sweet little things you do  
(Cos of the sweet sweet little things you do)

Every girl is after you  
Every man would like to say that too  
(Yes he would now Yes he would now)  
But honey what you've got  
Ain't about a guy better than you  
(No it's not now No it's not now)  
You got me so upset  
Cos the sweet little things you do  
Those sweet sweet little things you do

Baby give me love and peace  
Don't stop Don't stop  
When you start loving you give a lot  
Whoa I love the sweet things you do  
Sweet things you do  
Sweet sweet things you do  
Sweet things you do

I promise you and all  
I'll give you everything I've got  
(Tell the truth child Tell the truth child)  
And if you want what I don't have  
I'll go out and get you that  
(Yes I will now Yes I will now)

You've got me going mad  
Cos of the sweet sweet things you do  
Sweet things you do  
Cos of the sweet sweet things you do  
Oh like holding me  
Those sweet sweet things you do  
Sweet things you do  
Like when you squeeze me  
Those sweet sweet things you do  
Oh I like it all  
Those sweet sweet things you do  
I like it all
