Eye For An Eye

Max B

You shit on me, I shit on you
You hit on me, I put my dick in you
An eye for an eye
Max B, Gain Greene
Baby we so fly
Cuz unlike me, you niggas is lame
While you niggas aint home, I slip a dick in ya dame
Nigga I'm so fly
Gain Green front line
Baby I'm so high

Them niggas need me
Mad I don't give em no freebies
Mad I don't put em on the CD's
I'm tryin to get away from the DT's
Oww oww

The Kush real oranger
Bitches touch the head, they be thinking I'm a foreigner
They be thinkin I'm a Fabio
But I'm the type of nigga that'll let the tommy go
I can clear the whole scene baby
And I don't even need the whole team baby
Biggavelli sittin clean baby
Roll a blunt
I do anything I want
I go any town I want
Comstock, Beacon
Flood the island with treats
I got it every weekend
Got it heavy leakin
Bentley GT, copped it every season
Switched the color up
Baby I can butter up
I'm a mother f*ck
I don't trade it in
I just go and cop another truck
Cop a Caddy all black
24 inch rims
Y'all niggas f*cked up
Y'all shouldn't have dissed him

Them niggas need me
Mad I don't give em no freebies
Mad I don't put em on the CD's
I'm tryin to get away from the DT's
Oww oww

You shit on me, I shit on you
You hit on me, I put my dick in you
An eye for an eye
Max B, Gain Greene
Baby we so fly
Cuz unlike me, you niggas is lame
While you niggas aint home, I slip a dick in ya dame
Nigga I'm so fly
Gain Greene front line

Baby I'm so high

I only got seven shots left in the sawed off
Take ya balls off
I got a plush, suite
In the waldorf
Overlook the city from the top floor
Maxi it's not enough
Baby I need to cop more
Niggas said they hot
But they not dawg
Pops off
I'm the hot sauce
And I let ya get your rocks off
Don't be tryin to tell me what to do (nope)
I don't take orders nigga, I give them
Prison nigga, I lived it
Now I got fifty on the bezel
So hot bitch, I can shoot a 50 with the devil
Imma put you in your place
This game aint roomy for the both of us
Gotta watch the niggas that be close to us
Why don't you come smoke with us
Nigga open up
Moving with my frontline, watch them niggas focus up
They know it's us
Gain Greene baby
And I'm gonna let the thang steam baby
Owww

Them niggas need me
Mad I don't give em no freebies
Mad I don't put em on the CD's
I'm tryin to get away from the DT's
Oww oww

You shit on me, I shit on you
You hit on me, I put my dick in you
An eye for an eye
Max B, Gain Greene
